[REDACTED] The DCI noted the great pessimism at the JCS/State meeting Friday concerning NATO.

[REDACTED] suggested that Ledford be part of the team that will brief General Taylor this afternoon on the OX deployment. The DCI agreed.

Bannerman reported on a meeting last Friday which had been called by Macy to discuss the use of the polygraph in the U.S. Government. It was agreed that the polygraph would be used for national security agencies and criminal investigative authorities, but nowhere else in Government. He noted that the interdirectorate briefings will begin with the DDI briefing the DDS on 28 April.

deSilva invited the attendees' attention to State cable from Saigon [REDACTED] He also reported on the optimistic statistics on the ratio of KIA's which the PAT teams had suffered this year. He believed this was reflective of the good training the teams received.
